

DINING AT SIX SENSES FIJI

Food and beverage offerings at Six Senses Fiji promise to be second to none in the South Pacific. Using local, Fijian produce and notions of contemporary cuisine ensures the culinary team to ignite guests' taste buds and provide impeccable, friendly service to leave everyone wanting more. Using local and international cooking techniques Executive Chef Ihaka Peri creates fresh and exotic dishes with wellness as the basis for all of his recipes. The team pushes the boundaries of conventional dining by uniting chef and mixologist to offer innovative and original beverage recipes and food pairings. With a choice of three restaurants, a café and two bars, and with much of the produce grown onsite or locally sourced, the team strives to create not just meals, but memories through food and beverage at Six Senses Fiji.

TOVOLEA RESTAURANT, BAR AND LOUNGE
