

## PAMPERING SESSIONS FOR LITTLE VIPS

Children experience constant growth and we are passionate about introducing your little ones and teens to the benefits of health and wellness to encourage optimum development.

Choose from a special menu of therapies to wind down active minds, relax energetic bodies and stimulate healing energy. Nourish young skin with delicious natural ingredients. Fresh looks are fun with beautifying princess treats and smart grooming for princes.

Our young spa guests can also enjoy these treatments with mum and dad, or friends.

**Relaxing Massage with Coconut Oil** 30 Mins USD 40  
Soothing massage techniques help youngsters to wind down, improve blood circulation and encourage wellbeing. Pure argan oil moisturises and nourishes with the goodness of nature.

**Prince & Princess Chamomile Facial** 30 Mins USD 40  
Nourish tender and sensitive young skin with pure natural care. Revitalise a youthful complexion with delicious healing honey.

**Chocolate Body Scrub & Massage** 60 Mins USD 100  
Sweeten your senses. A chocolate scrub gently cleanses and purifies, leaving skin beautifully smooth and enriched by vitamins and antioxidants. A blissful massage deeply relaxes.

**Little Princess Manicure & Pedicure** 45 Mins USD 50  
Princess pampering for hands and feet starts by neatening your nails, then a magical moisturising mask and your favourite nail polish to finish.
