A reflection above and below the waterline

September 2017 - Fushifaru Investments Pvt. Ltd. is delighted to announce its inaugural resort, [Fushifaru Maldives](#) located on the far North East border of Faadhippolhu Atoll, more popularly known as Lhaviyani Atoll. The exquisite island of Fushifaru is home to an extraordinary landscape above and below the waterline. With 'Fushi' meaning 'island' and 'Faru' meaning 'reef' in the local Dhivehi language, Fushifaru is an ideal reflection of its name.

Fushifaru is the gateway to a legendary atoll known amongst the locals as where the best divers in the Maldives come from. The island is uniquely positioned between two channels connecting the atoll's inner lagoon to the vast Indian Ocean. The bigger of the two channels, Fushifaru Kan'du is a national Marine Protected Area teeming with marine life. Fushifaru Kan'du is home to three iconic dive sites including the renowned Fushifaru Thila, one of the Maldives most popular dive spots and a marine cleaning station, where schools of Cleaner fish attract the likes of Manta Rays, Turtles and many more.
