

## TRANSFER OPTIONS

The Soneva experience begins when you arrive at Malé International Airport. You will be greeted by a Soneva Representative after you have collected your luggage and pass through the exit doors, who will be holding a wooden sign saying “Soneva”.

Our representative will escort you to the Soneva lounge, just a five minute car ride away in one of our new electric Tesla vehicles.

Please ensure your international flight lands in Malé no later than 15:30 for your seaplane connection. If you have a later flight, we have an alternative domestic transfer option.
