TARTARUGA

Vamizi Island, Mozambique

MOZAMBIQUE

Set among the Quirimbas Archipelago, in a marine conservation area off the coast of Northern Mozambique, the idyllic coral island of &Beyond Vamizi beckons to lovers of sun, sand and azure waters. Blessed with a tropical climate and offering immaculate powder-soft beaches that rival those of the Maldives, Vamizi is the perfect escape for families and groups.

Seemingly endless stretches of wild, deserted beaches lend themselves to quiet hour-long walks, as pristine Indian Ocean waters lap along the coastline, enticing snorkellers and scuba divers to explore its kaleidoscopic reefs. Tuck into a mouth-watering castaway picnic, toast the sunset from a traditional dhow, try your hand at deep-sea fishing and welcome the seasonal arrival of baby green turtles as they hatch from protected sites along the island. This a destination to be explored at your own pace. A setting to not only reconnect with loved ones but with yourself, and the opportunity to enjoy island living at its finest.

The waters surrounding &Beyond Vamizi Island boast some of the most significant and endangered habitats and wildlife in the western Indian Ocean, over 180 species of pristine coral and over 400 species of reef fish. They have been deemed one of the healthiest coral reef ecosystems in the world, drawing in diving enthusiasts from around the globe – most notably to Neptune's Arm, which features as one of the ultimate dive sites to explore. The island is also a sanctuary for mangrove forests, one of the earth's most threatened habitats.

Set within three acres of lush forest, with a vast stretch of unspoiled beachfront at its doorstep, the natural elegance of **&Beyond Vamizi Tartaruga** (meaning "turtle" in Portuguese) is highlighted in its earthy tones, with splashes of green, and driftwood finishes. The ultimate Robinson Crusoe hideaway, this luxurious five-bedroomed villa is a must for families or groups. Three ensuite rooms boast a private deck and spacious sitting room - the master bedroom also features an adjoining area that can accommodate two young children. A further two rooms are situated in the lush canopy of the forest, in the villa's enchanting treehouses. These rooms offer three single beds, which can be converted into a superking bed. The treehouses are perfect for adults and children alike and are linked by a stargazing deck.

The main guest area has a striking palm thatch roof, supported by magnificent pillars of locally collected casuarina driftwood. Its open sides lead on to a vast deck, home to the freshwater swimming pool, which flows into the landscaped gardens leading down to the ocean. Adjacent to the sitting room is a shaded al fresco sala, with a further dining area located at the edge of the beach. The local coral limestone walls, and hand-carved windows and doors are a distinctive feature of this beautiful villa.
