

Eco Den

Our Eco Den at Soneva Kiri is a haven for our younger guests. Here in this safe environment with top class facilities, children are entertained and cared for, leaving parents at ease. We welcome children from 12 months to 5 years, and offer a range of toys, activities and books to engage any personality.

- The Eco Den offers childcare seven days a week, between 10:00 am-18:00pm. (13:00-14:00 closed for lunch)
- The Eco Den offers evening activities during special occasions. All children who attend will need permission and a completed form.
- The Eco Den reserves the right to withdraw any or all childcare facilities at anytime.
- Any prior existing illness, allergies, special needs (including learning & behavioural difficulties) or disabilities of the child must be notified before childcare supervision begins.
- If your child becomes ill during your stay, they will have to be removed from The Eco Den childcare service until they are well enough to return.
- The Eco Den will not be held liable in the event of an accident that is deemed out of its control.
